WELCOME

Dear Family & Friends,

We are blessed and honored to welcome each of you to our 2021 recital.

What a challenging year this has been! Being able to present our students on stage has certainly taken on a new meaning, and we are ever so grateful for this opportunity. As it appears that light is breaking through the seemingly endless tunnel that was 2020-21, we have taken the time to reflect on all that was challenging but also worthwhile. If we are completely honest, there were certainly moments we more than doubted the possibility that we would even have a dance studio, much less a recital. BUT look at God.

We want to thank each of you – from the bottom of our hearts – for believing in our vision through the trials, trusting us with your dancers despite fears and the unknown, and encouraging us along the way in spite of it all!

Every dancer at the Lil Miss Fits Dance Studio has such a huge piece of our hearts, and we truly believe you are here because you are part of a plan bigger than anything we could have ever imagined in our own strength.

Each year we watch our dancers develop so much in both their craft and character. This year specifically, we have witnessed some pretty remarkable and stunning growth in the studio and beyond. Not only are these students strong, determined, humble, and beautiful dancers, but THIS YEAR, we get to add resilient to that list!

There have been more trials than any other season, but in each instance LMF students have chosen to rise above. This has been a time of pushing through the ceiling for everyone, staff included! We are incredibly proud of our team's commitment to this process, and we could not ask for more!

Thank you to the wonderful parents and family members who work together to make this dream a reality for their dancers. Dads and Moms you are SO appreciated!!! You sacrifice so much so that your students' passion can continue to grow!

On behalf of the Lil Miss Fits Dance Studio, we are very excited to share this day with you! It is the culmination of a year's worth of hard work for our staff and students, and we wait with expectant hearts for the curtains to open once again! If only for today, forget your cares and worries, and enjoy the talent and effort that your beautiful students will bring to the stage.

To all of our amazing students, whether this is your first recital and your heart is racing, or your very last recital met with bittersweet tears – we are here with you! Take the stage with confidence, grace, and poise and know that you have your LMF family standing behind you all the way.

This is your moment, and you are breathtaking.
